**PRESIDENT’S REPORT – DOUG GEEN:** I wish to take this opportunity to introduce the Homeowners' Assoc. I further wish to acknowledge the outgoing Board members - Ron Sneary, Gary Proos, and Dave Ritter. Dave in particular was instrumental in improving our Park during his 9 years on the Board. This is the time of year when many of us head north. Safe travels to all. Happy Easter.

**RULES AND REGULATIONS:** With an increase of guests this spring, make sure your guests are signed in at the office and that they follow the Park rules, especially around the pool area.

**THANK YOU:** I thank all of our TCM family and friends for your prayers, cards and support over the last 1 ½ years, through 2 surgeries and 8 months of treatments. My last Pet scan came back with no CANCER from the top of my head to the tip of my toes!. They are going to do one more CT on the 1<sup>st</sup> of May. I will get the report on the 5<sup>th</sup>, so we can go back to MI cancer free! Thank you again for your prayers and support. Please everyone get your skin checked every year! Mine was Melanoma on the top of my head. Sandi Sikkema, #134.

**THANK YOU:** John and I and our wonderful daughters would like to thank everyone for their kindness, concern and generosity and also all your thoughts and prayers. We are so overwhelmed. Eleven years ago when we first came here, we had no idea what we were getting ourselves into. It didn't take us long to realize that we made the right choice. Our neighbors have been kind from day one. They helped us settle in and find our way. We've been so happy here, never regretting our decision. God has blessed us with this wonderful extended family. Thank you all so much. John and Bernadette Reihl.

**LOVE & PRAYERS**

**Please remember the following residents in your prayers:** Joao Saleiro, Unit 147; Linda Lorenzi, Unit 157; Joyce and Gene Frank, Unit 433, Dennis Kron, Unit 467

**LYNN SEARLES, UNIT 120** – underwent an ablation on March 24. She returned home on the 25<sup>th</sup> and is recuperating at home with some minor restrictions.

**JOHN REIHL, UNIT 130** – has finished his 15 X-ray treatments. His PSA has dropped significantly, and his back pain has also diminished. He is now receiving hormone treatment and monthly shots to strengthen his bones. The X-rays have caused damage to his digestive system, and he is anemic. He is looking forward to a vacation with his family during the first week of April.

**RUBY CAUDILL, UNIT 131** – Mary took her to Ohio to her family doctor because of abdominal pain. The tests from the hospital indicated cancer in her lung and liver. She was referred to a pulmonologist, who removed 2 pints of fluid from her lung. They are waiting for the results of a culture growth to determine the condition of her lung. Those results will be available on April 27. Mary asks that we keep Ruby in our prayers.

**ESLIE VALLE, UNIT 329** – has been in the hospital this month, was moved to a rehab facility, and returned to her home this past week.

**FRED ARBOUR, UNIT 339** – is now in Riviera Pines, Room 127. He is recuperating and hoping to return home as soon as possible.
