PRESIDENT’S REPORT – DOUG GEEN:

I hope those travelling north have arrived safely, and I'm sure the Park is quieter. Please be advised that we are fortunate to have four Board Members staying as full-time residents this summer - Bob Everly, Tom Hanket, Ken Donaldson and Dave Ritter. We are all hoping for a positive health outcome for Dave. I trust the summer activities will be enjoyed by the full-time residents.

I can always be contacted by phone 613-848-4470 or e-mail at douggeen@hotmail.com.

TREASURER AT LARGE REPORT – NORM KURTZ (mrnormlk@gmail.com):

Spring has arrived, and I hope all who have traveled north have had a good trip. To those yet to start home, I wish you safe travels.

Through the end of March our income and expenses were both within acceptable variance to the budget, and our cash balance remains good. Our Annual Review of the 2018 financial statements has been completed and reported at the Annual Shareholders’ Meeting. While we have not expensed any Betterments and Major Improvements as yet, we have had the Community Building floor maintained and every sidewalk in the park has been power washed.

As always, you may see a copy of the full financial reports from the TCM office. I encourage you to stop by and review them.
