PRESIDENT'S REPORT – DOUG GEEN: I hope this June Newsletter finds you healthy and looking forward to some warm summer weather. From my spot in Canada we have been plagued with high water and flooding in many areas. It would be nice to see more sun soon. The street resurfacing in Terra Ceia has been completed, and it is my understanding that the finished product is terrific. Can't wait to see it in the Fall. The new stretch of fencing should be built soon but hasn't started quite yet.

Wishing everyone an enjoyable summer.

RULES AND REGULATIONS: Now would be the time for everyone to read the Rules and Regulations and become re-acquainted with them.

NEWS FROM THE REC. BOARD

INFORMATION & THANK YOUs

PARK DIRECTORY: Our new 2017/2018 Directory is available to be picked up in the office.

THANK YOU: I would like to thank everyone for their prayers and good wishes. I have been diagnosed with Non-Hodgkin's Lymphoma. At this point, I am just being monitored and not receiving any treatment at this time. Linda Lorenzi.

LOVE & PRAYERS

Please remember the following residents in your prayers: Linda Lorenzi, Unit 157; Ruby Caudill, Unit 131; and Kim Ferguson, Unit 207.

MARY THOMPSON, UNIT 131 – is suffering with diverticulitis. With the new antibiotics, she seems to be improving slowly.

BETTY HOUSEFIELD, UNIT 223 – went into the hospital on Friday May 19 as an out-patient for a pacemaker. Unfortunately, there were some complications. Her IV was not secured in the vein, and she woke up during the procedure. Also, the doctor nicked her lung, which caused it to collapse. She had to remain in the hospital until May 25. She is now recuperating at her home in Indianapolis.

FRED ARBOUR, UNIT 339 – was moved to Complex Care in Sarasota on May 8. He continues to struggle with all of his health problems. They are still using a vacuum on the infection. He is in room 105.

CAROL HAWKINS, UNIT 454 – was hospitalized on April 27 for cellulitis in her leg. She returned to her home after five days and is recuperating at home.

The well of stinky water is going dry because of lack of rain. The well is off to prevent collapse around our newer pump that was installed a few months ago. Please do not use fresh water, as this is your money and everyone in the parks money running on the ground! Please try to get your monthly payment in on the first of the month. We have been having stragglers each month, and the late fees are \$30.00 plus interest. If you are forgetting to pay, we can set you up on automatic payment. Please see the office for this matter but it must be done before the 15th of the month. After that it will start month after next. The summer office hours will be Monday, Wednesday, and Friday 1:00 to 5:00. Pete and Mat will be covering for me this summer.

SOLICITORS: Can take advantage of you. If someone comes to your door trying to sell you a service, *ask them to leave immediately.* Promptly report the incident to the park manager giving a description of the vehicle and the direction it leaves.

NEWSLETTER DEADLINE: Two days before the end of the month. Contact me at 765-490-0892 or diverdiego@comcast.net
