PRESIDENT'S REPORT – DOUG GEEN:

Hi everyone. I hope this message finds everyone enjoying both good health and a summer of nice weather. I talk to Susan regularly, and she keeps me up to date on Park activities and happenings. Thank you Susan - your work is really appreciated.

The new air conditioning system in the clubhouse is getting a workout, and a small leak problem in the card room is being dealt with. I heard that someone felt the pool was too hot - sure wish some of that heat could be transferred to the lake we are on here in Canada!!!

TREASURER'S REPORT – NORM KURTZ:

- Our April Income and expenses were favorable as compared to the budget.
- Our cash position last month has decreased by approximately \$14,700 (due to the payment for the new air conditioners). The 4 new air conditioners have been installed in the club house as approved by your Board this past spring. Please let me know if you have any questions or would like more detail on the financial condition of your association.
