PRESIDENT'S REPORT – DOUG GEEN:

I hope this Newsletter finds you enjoying your summer. Our Terra Ceia remains quiet but work continues none the less. As a result of a Board Meeting held on Tuesday, June 25, 2019, and conducted through a combination of Skype and telephone conferencing, a decision has been made to paint and make minor repairs to the exterior of the Clubhouse. This work will be done within the next short while. Our Clubhouse has always provided a great first impression to our Park, and a fresh coat of paint will keep it looking attractive. Rhonda has returned to her regular office hours and is available Monday through Friday, 8:00 am to noon. Work on the pool is being completed and hopefully the swimmers will be back enjoying it soon. That is all the news I have for now.

TREASURER-AT-LARGE REPORT – NORM KURTZ (mrnormlk@gmail.com):

If you go by the calendar it is summer, but here in Ohio it sure feels like early spring. Will the rain ever stop! Through the end of May our income and expenses were well within acceptable variance to the Budget, and our cash balance remains excellent. Work on reconditioning of the pool has begun, and we anticipate that budgeted expense coming due yet this summer.

As always, you may see a copy of the full financial reports from the TCM office. I encourage you to stop by and review them.
