PRESIDENT’S REPORT – DOUG GEEN: Hello to everyone from your Co-op Board. Where is the summer going? We northerners are already saying that our season is half over, and we will surely be starting to think "Terra Ceia" soon!

It is always so nice to hear of our residents getting together for Park functions during the summer. It is nice to also hear of the friendships and visitations that take place during the summer months from those of us to the north. This proves once again that so many of the relationships that start in the Park become long-lasting friendships.

I am pleased to have a couple of thank -yous to make. Tom (from Molters' Pest Control) saw a leaky tap at the rear of a residence. He reported it to Bob Everly, and it was fixed right away. I am sure our water bill would have been higher otherwise.

In early July, the rope to our flagpole broke. An estimate to come out to replace it was approx. \$250.00. The District 5 Fire Station (the one near us on Experimental Farm Road) was payed a visit by Bob Everly, and in his words, "they nearly beat me back to the Park" where they installed a new rope free of charge. (Well - almost free - I heard that some donuts were dropped off at the Fire Hall!!)

Thanks to both Tom and District 5.

I hope everyone continues to enjoy their summer. May your travels be safe ones
