PRESIDENT’S REPORT – DON FURNACE: Well here we are; it’s the first of June. This year is flying by. A lot of activity is going on in the Park. The palms are all trimmed up for the coming hurricane season, and the oaks on both sides of the community hall are shaped nicely! The new water line project is in full swing! The library and bathrooms will open on June 1, 2020! You can go through Rhonda’s office. No more than three people at a time. Library hours will be as follows: Monday through Friday 8 a.m. to noon. The restrooms will be opened and closed with the pool hours.

I would like to thank a few people for their outstanding work during my absence – that’s Jim Munroe, Rhonda Ritter, Dan Fuesting, and Bernie Sikkema.

One last thing; if you have any concerns or complaints about something going on in our Park, please call me. It’s not Rhonda’s job to listen to the complaints! She has an office to run. So call me! Thank you.

TREASURER’S REPORT – TOM MCCOY: Normal income (income without consideration of special expenditures) accrued a positive balance of \$11,600 through April 30, 2020. We sold another share in April. \$11,600 appears a lot but, remember, the monthly rental of the lot for this share drops to \$125 per month. This means we will draw less monthly income for the rest of the year.
