PRESIDENT’S REPORT – DON FURNACE: Hello, everyone. We are still in the midst of the coronavirus, with no end in sight. Hopefully they will come up with a cure soon! I hope everyone is staying safe and healthy!

The water project is going slow but steady. I know they have hired more workers to hand dig for the main water line because of so many obstacles! I talked to Red Hazelbaker last Friday, and he told me this week he hopes to start hooking up the first few units – starting with Unit 101. The board would like to apologize for any inconvenience this project has caused you! Be safe; be healthy; and I will see you soon!

TREASURER’S REPORT – TOM MCCOY: I don’t have the final report for the second half of July, so can only say that there are no surprises in the first half of July. The budget is on track at the moment. I asked Donnie to call AMI to see if we might be on the hook for extra charges above the initial bid on the water line project because of the problems Hazelbaker has endured. We ask God to keep all there safe through these days of turmoil and testing.

LOVE & PRAYERS

Please remember the following resident in your prayers: Jim Dudgeon, Unit 137.

GLENN VOGEL, UNIT 112 – fell on July 6 injuring his arm and breaking his jaw in several places. He was taken to surgery and received a titanium plate in his jaw. It was discovered at that time that he had broken a tooth off below the gum line. During surgery he went into Afib. Both Glenn and Marlene are having major health issues at this time. They are both at home and recuperating.
