PRESIDENT’S REPORT – DON FURNACE: Hello folks. Another month has come and gone, and fall is just around the corner! Some of us will be joining our family in TCM once again. Talked to Red Hazelbaker today and he said he hopes in the next two weeks, the waterline project should be done, and another week for cleanup and leveling trenches! Also we will be getting the covering at the shuffle board courts painted white. Tom is working on the budget for the 2020-2021 fiscal year. I've been asked about opening the Community hall, but the board has decided to keep it closed until at least October when we get down there. Florida is still losing a lot of people to the virus, and we do not want to lose anyone else from our family in TCM! See all of you soon.

TREASURER’S REPORT – TOM MCCOY: Hello. Praying that all is going well, and you are all staying healthy. There are only minor deviations from the budget. We are running ahead of the budget for 2020 not including the Water Project and the Second Street drain remake. Please be safe.
