In the state of Florida, you CAN NOT sell these homes on land contract this is per our lawyers!

If you have river rock on your driveway it either has to be painted or taken out because it is running off the driveway into the street and then the mowers that go by in the street picks it and then we have windows that are broken.

If you are in the cardroom and you have turned down the AC Please reset it back to 76 degrees before you leave.

SOLICITORS: Can take advantage of you. If someone comes to your door trying to sell you a service, *ask them to leave immediately.* Promptly report the incident to the park manager giving a description of the vehicle and the direction it leaves.

NEWSLETTER DEADLINE: Two days before the end of the month. Contact me at 765-490-0892 or diverdiego@comcast.net
