PRESIDENT’S REPORT – DON FURNACE: Well March is upon us now and some folks will start heading home by months end. This winter has gone by quickly.

This month we will be holding our annual meeting on March 17 th. at 7:00 pm.

My term is up on that day. Hard to believe it’s been three years as your president. The board has had so many accomplishments during this time. We have brand new water lines. I promised I would not raise the HOA and I held true to those words. We also raised the manhole on 2nd.street, replaced the pipes, covert across first street, started a compliance committee, faced COVID 19 together. I repaired 43 homes with holes caused by the new pipe lines. (at no cost to the owner). Jim Munroe is now working on updating our rules.. All the work that Paul has done to maintain our parks repairs. And to all the board members, I would like to thank you for your work on the board.

TREASURER’S REPORT – Financial report can be read in the office thank you very much.
